### **NEWS FROM ENGLAND**

LONDON LETTER. 2 OK

(From our own Correspondent).

HE reality of the Wes be comes more appareot every day. Hitherto we bare mainly dapended upon the voluntary ufferings of mon and woman to lead on the bestalions of the Lord without indoorment of Lord without indocement of gold or other earthly prize. 7,400 living gone or other earthly prize. 7,400 living witnesses are to-day scattered over thirty-twn sountries and colonies. They have been ted by Ged to go forward, Thousands more, purged and purified by the HcIy Ghoet will keep coming, saying, with Isaiah-like sagerness, "Here am I, send Jasiah-like sagerness, "Here am I, send ma." Bot we must ge more mee and women. We must call them py. The cry of the dying millions of heathen lands, and ise susconquered release in crystice and mu-called Christian countries, demand as to be separate. We connot wait for volun-teers. "The Kingdom of Heaven suffer-sh violence." We man bo youlent and sth violence." We must be violent and earnest, and Commandant H. H. Booth is putting into shape a campaign that is likely to lead up to the biggest demonstra-

ties of the attractiveness of the Cross

that the world has yet witnessed. The idea is to reize up 1000 men and women

to suffer, serve, fight and die for the Sa-viour and the salvation of smals in all parts of the world, and this within the

The "Wes Cry" announces the plan es the "Candidates' Boom." The outside and inside of barracks are placerded des-cribing the needs of the world, and apcribing the needs of the world, and ap-pealing to the youth and flower of the fight to leave all and follow the Son of Man. Letters have been despatched to every officer oo the subject. The Divisionevery omeer on the subject. The livinjon-al Officers are making it the theme and chiect of special meetings. The Com-mandam is about to go on a toor to the principal parts and sound the trumpet on behalf of the neglected world. Various principal parts and sound the trumpet on behalf of the neglected world. Various ormsedes are being set on foot and the coming visit of the General to Bools.ad will have the same end—shall we get 1000 men and women to respond to the cry, this booming cry for help? Judging by the reply Sunderland has already made

hat unmber will soon be reached.

The Chief of Staff and Field Secretar The Chief of stati and Field Secretary spect the intervale between the "Two Days with God" in interviewing soldiers who had offered for the work since the beam wes asnt off. Around the door of the room in which thate conferences took place, were to be seen crowds of deter-mined fellows weiting their turn. And the women were there too -thoughtfully reading the Bible, or a "War Ory," or reading the Bible, or a "War Ury," or Salvation publication. Sixty-four, it is marvellous to state, were seen, but a much larger nomber had to be told to ap-ply to their D, G's. There was no time. The cry, thank God, is heard, and as last Christ's Kingdom is home understood as an Empire, whose needs are world wide, and whose claims are open all, especially

the roung bleed.

Big meetings in London, and the provinces have meny and new features omn-pared to what they were some few yours back. It was considered orthodox to bepact, it was consumers or below to be-gin the avening meetings at 8 o'clock. That is now next to impossible. In the majority of cases a seat is not to be got for love or money after six or even o'clock. A procession previous to a demonstration would lead to panic ond disorder. There ie no hall big enough to contain the crowd. The same arount of edvertining is not maintenance and displayed on the platform persons may be a provided by the Edwish Arany. Gut leaster when the monthing are prayer meetings, and wonderful times they are provided and included to hear the definite statiments are too. They only instit half as hoor. Braquantly early moving prayer meetings. The provided in the second was a significant of our young collisions. The provided is a significant of our wine the default arvelues conducted, and it statemed two each at Sundayland. The second week led by previous provided in the corps aloco, is possibly more than corps and the corps aloco, is possibly more than the corps aloco, is possibly more than corps and the corps aloco, is possibly more than corps and the corps aloco, is possibly more than corps and the corps aloco, is possibly more than corps aloco, is possibly more than corps and the corps aloco, is possibly more than corps aloco, is possibly more than corps aloco, is possibly more than corps aloco, is possibly and the corps aloco, is The same arount of edvertising is no

The women officers and wives of the Divisional Officers, are taking their proper place in the fight. Some of these prayer puns in the fight. Some of these prayer meetings alluded to were led by them. I was gied to see Mrs. Gover on the plat-form of Victoria Hall, facing 2,000 people, including 200 staff and field officers, calmiy and efficiently leading them on in the path of faith prayer before the General's arrival. As many of your readers watch with

### A THRILLING HISTORY

MENO THE LIFE-STORY OF SERIES. J. MI WWW GLANGOW.

Among the Sharks - A Policeman Mearly Killed - Almost Shot a, I so no all y resimptions to the Captain - Severely Wounded - Thirty Days in Jail - How I Got One of the semimotor ran as follows:

"I thank Ged He has taken away from

I was the first-born of five little ones, which my dear mother left, to take her place among the great army of the dead. I was but nine years of age when she was taken from us.

My father was a great drunkard. He was always free with the drink, so that I came in for a good share of it so long as I an remember. In tale way I become very fond of it. When about twelve years of are another boy and myself found an empty eask, from which we drained into as both very drunk. At this time I was carried home to my grandmother dead drunk, I had often been drunk before,

At the age of agrenteen I went to sae. This proved to be for me a surt of edvence department in the devil's school; I soon issued all his tricks, I gave myasif up antirely to Satan, who in return gave me a

certain amounts in caring winns often gut me into trouble. For instance, while lying in the port of Havanna, West Indies, we lost two mon by yallow fever. One of the men shipped in-steed brought some rum aboard in his chest, and when it was floished (which wes net long) he wished to get ashore for to molynish the ing. This wee impossible. as the thip was to sail early in the moun-ing. There was a large ship shead of oc, asset early got moon my country who we expled a beatman coming close enough to hall. We both jumped in and was soon ashers. At four o'clock in the morning I was laying on my hask with my feet in the

was laying on my hask with my fest in this stocks. The septain had some trouble to git me every for it seemed I hed nosely lilled a policinome with a stone. I had to pay shout fifty dollars for my tricks.

We sailed to London, Eng., from there to New York, where I shipped for China. Her con year calling on the contain that fire sway land I ship for New York, when my shad I ship for New York, when my shad to the contain that it was made to the contain the contained of the contained that the contained th the course contege, and in it was an ope scholar. The dare-dovin print followed mobers. I would do or go anywhere for drink. I got on the right eide of my cap thin end need to get orders for whiskey

from him.
One day I was very drunk and he was sober, he refused me. I wont to my tent, took down my rife, looded it with ball-catridge, and it my machanes would host own which the street and would in ell probebility have got a term in the State prison if my case had gone to trial, but as we bed marching orders for Chasclersville, where we lost many men, there was noth n; came of it, and the cop-tain and I were over after as hefore, goed friends.

Shortly after this I was severely wound ed and east to the hospital, where, aland swear at the doctors because they re-fused to umputate my arm. Finally they faced for unequistor by earn. Windly they judiced to my entereduces of an as to put such as partially the many times here you like is initializing its discompilation for 6000. Sucrey judiced to my entereduces of an as to put such that the such of order the influence of chica, but my arm was not amounteed. The such that the bald order of perfect that the such of the such that the bald order of perfect that the bald is not such that the bald order of perfect the such that the bald order of perfect the such that the bald order of the such that the bald is not all the such that the bald is not this apilit for latting one was the such that the bald is not that the bald is not the such that the bald is not that the bald is not the such that the bald is not the such that the bald is not the such that the bald is not that the bald is not the such that the bald is not the such that the bald is not that the bald is not the such that the bald is not the such that the bald is not that the bald is not the such that the bald is not the such that the bald is not that the

where I seted vary had, and get tay first where I seeke vary sad, and ger my man are thirty days m jail. I soon left boms man and got so that I could do a vary good dey's work with the one hand with what little belp I could get from the lame one. But the drink followed me and highest my life, I tried again and again to reform. So for more than ton years I went from bad to worse outil the spring of '76,

me the dasire for strong drink."

This is what I wanted: was I not strive ing for this; and without meving I said to mycelf. "If there be a God and He will myest, "I there has God that He will do this for me then I will believe and serve-Him." I knew nothing about the Scrip-tures, the cherch, nor Christians, nor did f even think about them.

Bot having got my prayor answered once I could not be put off, what ever I needed God would soon hear about it, and as He did not turn me away the first time I would not be turned away afterward. So when Ged revealed sin to me it was not for pardon I sought, bot deliverance.
"Lord, you know how you took away the
desire for drink, take this away." I know so empty metob box onough rum to make no better, so on this line I got the victory. About two years after I was converted. I someluded to he beptised, hot the minister to whom if applied would not unless I united with the shuroh. This step proved to be a misstep. I found myself under faw, from which I could see no escape; having began to keep sommandments I could see no sod to them.
One day a hrother suggested that we should wash one another's feet. This was

too much. So I concluded to make my the lew. I bed found out for myself that I could get all I needed for myself by ask-

ing God for it,

This course soon led me to be separate from the church, which is the only beek-sliding step which I have to confess to, praise the Lord.

f first became acquaicted with the Sal-

ing. Tructo was a large ship shead of or, the boars acquisited with the Balhard boar was well astern, with nothing has been supplied and finished without a thought of the board of the board without a state of the board of th a sergeant, and whether I ever get to be General or not I shall run a race with him in feithfulness. I have enlisted for the

war.

If God gives me my full time, and I am believing for it, I shell have a tweoty-two years more fighting and consequently will have a lot more to toll you. It is likely the Was Gave will then be a claif, ea you will not here to eay "be abort."

May God bless all who read this and bring them to Himsalf is the prayer of a sevend droubard.

It was a boliness meeting. Some etraight torm, and many hearte were laid open he fore God. Among that crowd was young men, who rose from his eact, and I had the joy of cosing him at the penitent form telling out his failings to God. My comrade, have you an bonest beart ?

Do you owe your shortcomings to Ged?

Said the officer who was leading the meetings. "I would sooner die to morrow than grieve my Lord," Do you possess such a spirit? How meny groved God the past week. How many times here you

How much rent do you pay for your reply. Very good plan, other please take note and follow suit.

Said a Lieut, to me a faw days ago, who a newcood in the French work. "I love is engaged in the French work. "I love the fight here, not because the easy, but been use the Lord would have me here! Comrade, why are you a coldier? Is thine

I stayed at the Offic ra' Operters a few I stayed at the Gimer 'duraters a law days ago at C—, where a tough fight is going on. After spending the day transating hasiness for Etoruly, I bed the joy of rolling over on the floor with the Capt, and Liaut, for a few hours' rest. No comfortable bed awaited them, and yet those dear lads were perfectly happy and contanted. The secret of their happyness is this:-The love of Ged constraineth

It was a "Free and Easy." The Licot. was giving his testimony. Said be, "Yes, God can make a man out of a boy. He hee made a man of me." This is quite true. Let God bave His way, and there is no telling what He will accomplish The Holleluigh Duett Still Pegthrough you

While travelling in the care a short tim ago, a gentleman got aboard, and seeing by my uniform that I belonged to the S. A., he at once accosted me in reference to our work. After a very profitable time to-

our wars. Atter a very pronteol time to-gether, the stranger took his departure, leaving in my hand a five dollar hill to further the war.

MORLE- Never fail to show your colors, and make known your mission.

He was a fine looking young man, and as I took him by the hand, I remarked, "how are you getting on in your coul, my brother?" Leoking in my face, and with brother?" Leoking in my iace, and with learn in his eyes he said, "Captain, for a numbar of weeks I've been locaing ground and drifting from God. The Lord has heen calling me for the work, and I've been disobedient, thinking I was too

young."

Tyoung."

Tyoung."

Beware comrades, the davit is harded to be word. Get filled with God and go form word, and it is man designe by youth.

Baid an officer in a meeting I attended to a fire days ago. "If we can't all gask it and held the crown of people for an hower in the control of the control of people for an hower in the control of the control of people for an hower in the control of the control

s a sum, we can stand by the Uross."

Beeder, how is it with yory Is it all the control of the c which hinders their progress in the war. Where are thon? Is thine heart pure my

The Greet Inspector is coming runnd, Have thine house in order.

of work. The Ceptain, rather than deprive the Gedets of their study; was known to the desire of their study was known to come one got the substance for the size work and toll through the londy hourse of the night to eccomplish her cods. Surely this is infilling the divine highestern of Another woman who had attended our "Inhonor preferring one another."

Another woman who had attended our Another woman who had attended our "Inhonor preferring one another."

The result was two stalwart man at th cross crying for mercy,

Let us have more such pleading, com-rades, and more such won for Christ will be the result.

Said a brother in the 7 o'clock Kneedrill at H....., "I see planty of machinery but very little power." How true this is. Comrades, do you go ? Are you propelled ou by the power of the Holy Gheet, or are 700 at a stand-still?

At a masting recently attended, I saw some dear soldiers who hed travelled no less than savenly miles over the snow to be present. The result was, they all got wonderously blessed, and raturned to their inland corps more than ever determined to fight mora fully the lattice of the Lord.

PRE AND THE.

"To concrete our earn appetites, in he ever triffing instances, is more preisescorthy than to storm strong cities, to defeat mighte armies, work miracles, or raise the dead."

# ging Away.

Harriston and Drayton have hed a visit from Staff-Cept. McHerdy and Cept. Howell. They spant a week in noth places. The visible result of their labor being 39 persons seeking colvation and canstiffer

tion.
The harracks was vary cold to Harriston. The barracks was very cold to Harriston. We led the meetings on Friday, Saturday and Sunday with our overshoes and overcosts on, and it was amusing to see the people in the audience with their mitte on and coat collars turned up, and one old man kept his fur cep on. It was impossible to do much else than pray for a thew which we did.

which we did.

Gn Monday it began to get milder, and there were signs of a thaw, not only in the wasther hat in the beart of the sinners, for two young meo hed their hearts melted

just commenced when we hed to leave to fill our appointment at Drayton. We med-a raid on the tobacco consomers in the Holiness meeting, and early of the twelve who sought purity of heart, there were four who gave up the filthy weed.

I shall not soon forget be we the dear soldines turned out to the open-airs bers, some of them coming at miles every

Those who never send a report to ds columns.

Oh! is that YOU?

Steps toward Heaven.

Torre-Rolled owner.

WILL of sin I sought the Saviour,
Asking pardon, seeking favor,
Bowed myself and oried in sadnas: Lord bave memy, Lord bave merey, Save me, Jenus, er I die.

Happy day, bappy day, When the Savieur washed my s AWOY:

Happy day, happy day, Now I'm saved from all my sias, Happy day, happy day,

Jeens heard and listened to me, Believest thou that I can save Thee? Yes, deer Savjour, now I trust Thee, For my pardon, for my pardon For the pardon of my sum.

Now I feel my sine flegiven, Now my title's elear for heaven; Now I tell of Christ my Saviour, Christ my Saviour, Christ my Saviour

By and hye I'll see my flaviour, Live with Jeens Christ forever: Walk the golden streets of glory, With the angels; with the angels, And the level case gune below.

### LOSS AND GAIN

When in times of acrrow. When in times of pain, When the devil tempts me,

I've lost the worldling's frieudship, I've lost his flattering smile,

I've lost my love for pleasure,
Which once did me beguils.
I've gained the small so I seus,
I've gained the 'mile of Jesus,
I've gained the 'wisdom from above,
Which ever shall andre.

I've lost a minful heart, I've lost a burden too,
I've lost decires which ones I had,

All svil things to do.
I've gained the worldings' hate,

I've gained my owo friends' scorne,
I've gained my owo friends' scorne,
I've gained some hardshin hera below,
A Cress and Crown of thorns.

I've lost my hate for sinners. I've lost all bitternese,!
I've lost desire to be vexed, And thoughts of wickedness.
I've gained the hope of heaven.

I've gained the power o'er ein.
I've geined by faith the kunwledge
That Jeeus lives within.

I've gained—my gains are many,
I've lost—and they are many too,
I've lost all fear of Gad's White Throne I've gained a hasven below.

### FADING JOYS.

"Your gold and silver is cankered; and the rust of them shall be a winess against you, and shall set your seem as it were a firs. Ye have heaped treasure together for the last day."— Jumes 5, 5.

NEEPAWA BRAVES

Training of some Prairie Wolres. O boundless prairie! huntaman's land of

bliss,
Where earth and sky in th' distance seen

to kies
Vat plaint of herbage, unted once for
glorious Per. giorious proy, Where buffalo hallowed to wild horse neigh A swift deer chase where wolf packs nightly

yelp.
And puse gets first before the camine Whelp, Where Indians roam in moccassin and

anow, And nought much else but harbarous oss-

And cought much sate not naturation one toms know; and mines the prairie is of buffale obsorn, Contents himself to hunt the huffale born treat treat from from help and mountain for irrigate from nature's watershod, Vest plains of harvest wealth and wints

where land is almost free and labor short Where daughters fair and stalwart son reside, To toil for homes and till the prairies

wide. Controled if this object they attain, And gather in the harvest golden grain.

O Nespawa! then little prairie town,
where right goes up and wrong come
tumbling down,
I love to praise thy children fair and thee So full of life, of nature, and of glee; Chivalrous spirite — dauntless, good and

brave, Who noble laws elect and meek to save. Occe 'twee not so-that God has wrough

a change
By S.A. methods—though divinely strange la recognized—and now their darling towo

A hear of hove lived all around. And lots of game in Neep wa found; Night after night they gathered in. To seek their frolic, drink, and sin. For pastimo's sake these farmer boys Loved lots of fon, good time and noise Though not incorrigibly had, But each a wayward sinful lad.

There's Ritchie, Jon, and little Jim,

And daring Mao, ah, who like him? And daring Mico, an, who him him?
Deve Coulter, Archie, many more
That I can't name, prap'e mony a score
They loved to epree, to fight, or run,
And any feat to them was fun; They loved a sportive, jolly time, Unrestrained in this marry clime.

Mac ren the "Com" where travellers met, For alcopiess nights to drink and bet,

place
They ought to drive—or punish much,
For Neshawa was no place for such;
And by his wiles oft made them think.

It was not be who smuggled drink, Still they smuggled, cursed and drank, And practised meny an ugly prank. Now Ritchie, wirey, strong, and tall, Would floor a man for nought at all, While little Jim was ese iv led. And took the way which others sped.
If fighting took, Jim took to fight,
If loving gained, thought loving right Drick made him choose proveiling whim The way which pleased, pleased little Jim; From many a drunken feelish sorape.

Now Davie was a funny boy. Would do queer things just to unnoy. Just as the notion then he had. Would do things so, was such a lad; To show his temper, and his rage, Nothing could it betimes assuage, The others also were as bad, Each one a drunken, saucy lad.

Fort ferrer this lot on a facial night Crammed full of their nonsense to drink and to fight, From Meo's dark hotel emerge like s flood,

And somebody halped to saddle the mere: But thoughtless were they, as feelish

was he.
To eend a men thus to ride from a spros.
His head became light, his hand became dead,

As on to his home the reckiese one sped. Below zero far, snow thick on the ground, Soon Mac in a drift, a resting place found,
The beast trotted off the prairie to roam,
He fall from the mare some miles from

his home,

There stumed by the fall, for some time

be lay A trying to keep the devils at bay, Was fighting with fiends, hob-gobblins and sprites,
All left to bimself with unenvied sights.
But after a while, his strong heart revived.
To fight the cold night, he plucked up

and strived,
Succeeded at leagth in grawling aboad. To welcome the shade of a rickety shed, Half frozen and dezed, he heat and he

stamped, Pitch dark was the night, or home would have barned.
But lucky for him to weit until day.
But lucky for him to weit until day.
Till terrible blizzards drifted away;
A corpse in a drift he might have been found,
Or frozen to death on suowless ground.

His wife nearly crazed to think he was out, Teo helpless to erarch, too dark for to

socot, His family could but offer a prayer, That God once again the father would

The light again dewned un the world below,

Which resemed to accovered with panght but snow. Exhausted, the guilty one plied to his home, The mare had not turned from her

prairie roam.
At laugth he arrived, once more he was At laugh he arrived, once more he was apared.
To prove the great goodness of Him who had cared for him who so weyward and thought-less had been, And though conrolly greteful, he felt very mean.

Things went un in this queer strain, Heart was eick, and mad was brain, Rash in turn were fooled or lost ment in turn were tooled or lost Where they sooght enjoyment most. Foolish boye! they know un bound Till mishap, or soffering found; Somatimed drink, and somatimes law, Kept them in the devil'e paw.

Ah! hark, what 13 this? the sound of a drum,
Just look at the flag, a strange people

Indians on the Trail.

SUTTON WEST,-Our meetings are getting better, crowds are increasing, sin-ners are gotting in earnost about their souls. Gur Indian comradas were with as yesterday (Snuday), God bless them. Thirty-four soldiers mustered in the after-Thirty-four soldiers mastered in the after-noon for march. We had a good free and easy inside. Soldiers met again before the hight meating and we went down on our knees before God and got our vessels filled, some to verrilowing. Had a good masting; one sister came to the Savieur.

Went Without Dinner.

UXBRIDGE.—We commenced our bolimese mesting at II.80. Oh, what a time! We fall the power of the Hely Ghost in our midst. Some wore evying, some laughing, others jumping for joy. penitent form, two came for cleaning and three for pardon, and we all proved that God was as true as His word, and the five stood to their feet and told what God had stood to their feet and told wins upon mad done for them. We were having such a feest from heaven that we did not go home for dinner; but feested with the Lord until 2.80, then off we go for a grand march. Oh, how God did bless us! Meeting in afternoon and also a.
To God be all the glory.

Input. W. France. afternoon and also at night was good.

God Saved one Sont.

TYRONE.—We have been heving some grand times have this past week. On Thursdey one soul who had wandered far from God came and confessed his sins march Saturday night end on the pistform Sunday and told the people that God had set him free from all his sins. We are going to get the people saved here.

They can ging Well.

GEGRGETGWN.—The Salvation Army GEGIGETOWN.—The Salvation Army in still marching on, led by a Shappeard who believe in vistory. Sunday mastings and the people still aim; (Googniows people amount of the people amount of the people still aim; (Googniows people amount of the people amount of t to win Georgotown for Jesus.
Lieur. Pranson.

Soldiers, get Sanctified

MIL/TGN.—God is stirring us up here in this place. Wonderful meetings of late. Yesterday wn took hold of God by faith fer souls, and, glory to Bis name, He did not diasppoint us. One dear sister came back to the fold. We fael sure God is yet going to give ue a wonderful vietory hers. Some of the soldiers are getting sanctified, others are fellowing suit, and

saved five couls and set them at liberty. we had a grand windap, a much round the harracks, the glory fell like a shower upon os. One elster lay prostrate honeath the power for over on hour and we all had a share in the glory.

### "ALMOST LOST!"

An Awini Position-A Mutilated Corpse-Well-nigh Damned-Sin-tainted God-image— A Black Church - I'm Lost l I'm Lost l !-

What will you do?

ES i how marrow and limited seems the escape of this poor follow, as we look at his position in the pictore! For hours he had been crawling from one work to another in search of bird's eggs, but he had at lat reached a wary dangerous epot in the diff, so dangerous that he can be diff. more aeither one wey nor the othe to make his occasion more awful, the rocks beceath him constantly gave way and he can find no footbold whatever. His only bopo is to cling to the rock,

I DALPHATTE OBLES

For a long time ha has been elinging on for very life, and his failing strongth can not bold out much longer. But help comes when he least exposts it, and at a time he most needs it. Some people sime as most needs it. Some people passing by on the top of the olifies have leard his screams for help and hastily they procured a rope, which they lowered down to the man. Doce ho spurii such a means of escape? Not not! not!! He doubts not as to its strength or power to bear him, but taking

A TENDENCE TEAD he saizes the means of his salvation and in polled to the top-a seved and resuned

polled to the top—a several annual man.

Here is just a true picture of the majority of people in this world to-day. For years they here rejected God and good. A lifetime has been spout und wasted in sit, miscry, trunksimess, caushing and debeauliory, and this is the control of the control their exact position-allmost lost.

Times out of number has God thundered His swful warnings into their consciences. A tarrible rollway catastrophe; the sunder moliter susched from their side; a dear findled baby has low nor nor from their group, taking with it all the forms, and their group, taking with it all the forms of the side of t

It is an awful truth which must be faced, that the world still lies in the listab of the devil. In spito of all the churches, missions, sunday achoels, chievion Army, and other armies, the Archient still leads mu and women capito at his will. No roetter what Army weeking one goes into. If the leader sale for a slow of heard from those who are limited to the chart sale of a slow of heard from those who are limited to the chart sale with the property of the chart sale was the same with the property of the sale was the sharion, a gunday schools, disciones, and other same intense do separate and the same intense do separate and the same intense do separate and separ

ly the so-called ordinary nineteemb century (Diristian cares nothing about them, and marred by sin and deink. Here they in the control of the

them? Will you press through svi and through good report, pash your way into the dens of infamy and heard the lion in his dan. Oh! fur men of desperate, namoveelle, undanted, daring, Jesus Obrist religion, which shrinks at nothing, but goes through at all costs. Have you

got it? end do you live it?
Young man, whose life up to the present
time line been nothing but a blank, whose
influence for good in the warkshop, on
the streat, at the boardinghouse is very the streat, at the boardinghouse is very eballow and empty, what are you going to do in this matter of recoing the lost? One thing is very certain, you have to do your part in this great fight, either to stand and look on, or

### DASII RIORT INTO THE BATTLE.

Perhaps you are saved, and in the past have taken just a neutral position in this matter, while thousands have tumbled matter, while thousands have cambred over yon into position. Now, will you not easinly does the world's great near the fatter of your life shall be at His, service, that all the time, talents, faculties and attength you person shall be spant in bringing the world to Jesus. If so, you had better accose up not of the leshangy of chinch; going form and eremmony, and get the Lord to be public york to you have been applied to the contract of the contract of the lord to be public york to you coulded. the Lord to bepies you with His divine love and power, than write your applies-tion and cast in your lot with the God-raised and God-asstained Salvation Army. Here is a grand prospect for you if you want your name enrolled among the becose end markyrs who have suffered for God and won eleval bevaulty honors.

was onenged? A litter remore and anguish will fill your soul at the Judgment Bar, if you, after having spent a "wasted life," hear the swin! sentence, "Inasunch as ye did it not unto the least of one of my chil-
